Nevada Commerce Bank Offers VISA Gift Cards

(Las Vegas) – In order to provide a wider range of services to its customers and all gift-givers in Southern Nevada, Nevada Commerce Bank is now offering Visa Gift Cards, which are gaining popularity as an alternative to traditional, single-store gift cards.

Visa Gift Cards can be purchased in any amount from \$25 to \$750 at either of the two NCB locations, and can be used worldwide anywhere VISA cards are accepted. Unlike many retail gift cards, VISA cards include zero liability for fraudulent use and can be replaced if lost or stolen. Additionally, card users can easily check balances for free at the Visa Gift Card website.

Non-bank customers are welcome to purchase VISA gift cards at NCB locations.

“Visa Gift Cards are a perfect gift for any occasion, and we are glad to provide these very useful products to our community,” said Kathy Phillips, President/Chief Executive Officer of Nevada Commerce Bank. “I’m certain that our customers will enjoy taking advantage of this product.”

Since 2000, Nevada Commerce Bank has provided outstanding commercial banking services in Southern Nevada. An independent bank, NCB offers the advantage of local decision-making, backed by unsurpassed service, customized products and timely value-added solutions for its customers. The bank has two branch locations: 3200 S. Valley View Blvd. at Desert Inn and inside its new corporate headquarters at 6795 Edmond St., Suite 160 near South Decatur and the 215.
